

Dear Parents,

This year at AISCT we will be offering a diverse selection of after school arts and athletics activities. These are designed to empower students with creative, expressive and mindful resources and skills, beyond the classroom experience.

In addition to the school's activities, we have embarked upon a new and exciting arts program ... Introducing **ArtsPlus@AISCT!** This independently-run program includes private lessons in **Dramatic Arts** (theatre), **Musical Arts** (music), and **Movement Arts** (dance). All teachers are qualified in the discipline/s they teach.

Private lessons take place in the Performing Arts Center at AISCT after school and lessons are billed separately. To secure a space for your child in our new **ArtsPlus@AISCT** program, please complete the form on the following page and email it to the relevant specialist listed in the table below. Lesson availability is limited and placements will be made on a first-come, first-served basis.

Please do make contact if you require further information about our new **ArtsPlus@AISCT** program.

Yours in the Arts,

Mr. Francois Bezuidenhout, MMus
